SMC Drill Team Steps To Compete

by Robert E. Pellegrine

Those cadets throwing rifles around actually know what they are doing, if you've been wondering.

They are members of the Saint Michael's Drill Team practicing maneuvers to be used in the New England Armed Competition after Christmas.

This competition, to be held in the early part of next year either at Hartford, Conn., or possible at R.P.I., includes all of the area "A" ROTC drill teams. Area "A" comprises of teams from the New England and New York States.

SPECIFICATIONS

Competition will be under extremely rigid specifications. St. Michael's now drilling in both armed and unarmed, will be required to stay within the limits of 10 minutes for the unarmed and 15 minutes for the armed competition coming within ten seconds of this time with no timing signal of any kind to be given. To make things more critical they must do all maneuvers within an area of 100 x 100 feet.

The routine to be used this year was set up by Capt. Vernon D. Gores, USAF, advisor of the team. It will be similar to that used last year with the exception of the M-1 rifles having fixed bayonet. The Cadets will be holding the rifles at carry; that is they will be pointing them at each other as they go through the march.

"DOING WELL"

Capt. Gores feels that, in spite of a few minor casualties, the drill team as a whole has been progressing rapidly and will be able to master the M-1 by the time of the competition.

NEW ENGLAND CHAMPS

St. Michael's Drill Team

Watch That Bayonet!

has won the New England unarmed title for the past two years and is hoping to retire the trophy by their third win this year. With the introduction of rifles to this college, they hope to unseat the University of Massachusetts, the present armed competition champion, who has held the title for the past five years.

Connor To Swing For Cadets Sat.

Military Weekend Band Committee co-chairman Donald Houde announced that the jazz band for Military Weekend will be "Tempie" Connor and His Swingers. This group is made up of the finest musicians from the Burlington area.

They are led by Mahlon "Tempie" Connor who has had experience with big name bands. He has played with Ralph Marterie for two years and also played for the Sauter Finigan group. "Tempie" plays one of the finest horns around.

MEMBERS

The rest of the group includes Tom Stanziola on tenor sax, Walt Elmore on Trombone, Fred Hannon on piano, Jack Durett on drums, and Ray Preavy on base. Ray incidentally studied at the Julliard School of Music in NYC.

The committee feels that instead of getting a college band that are for the most part amateurs in the music field, we would prefer to engage a professional group whose experience will be amply shown by their performance.

(Continued on Page 2)

Best Skit Wins \$50

On Friday, November 7, at 8 P.M. in Austin Hall, a series of short "plays" will climax the opening day of Military Weekend. As a unique "first" for the cadets, these skits will be staged by five squadrons and the drill team with each choosing ten men to participate. A non-competitive skit by the cadet officers will be an added feature.

In its entirety, the plays must not be more than 15 minutes in duration which includes the entrance and exit with the set.

(Continued on Page 2)

EXTRA

A new dormitory maybe started within the year on campus.

From Washington today came word that the Federal Housing and Home Finance Agency had allocated \$685,000 for the college's third post-war dorm. Plans for "the greater St. Michael's" call for a quadrangle with Ryan and Alumni halls as northern half.

St. Michael's president, Very Rev. Gerald E. Dupont, S.S.E., had earlier announced a combined Student Union and Dining Hall.

"We are aiming for a package deal", he said. "We'd like to start simultaneously when both allotments are approved."

Architects are working on plans for both.

DES Induction Set For Nov. 10

The Alpha Nu Chapter of Delta Epsilon Sigma Honor Society has announced that induction ceremonies will take place on November 10.

Those to be inducted are two alumni, two faculty members, and fourteen members from the Class of '59.

They are: Rev. Henry Albiser, S.S.E., Mr. John J. Herbert, Dr. Henry P. Lemaire, and Dr. Joseph F. Amrhein.

Seniors are: Paul J. Lombardi, Donald J. Houde, William J. Casey, Francis C. Makula, Albert T. Brault, Thomas M. Brown, Philip F. Sheridan,

Joseph E. Gallagher, Jerome D. McElroy, Thomas G. Brault, Joseph J. Merigo, James V. Canavan, P. Eugene Violette and Paul J. Michaud.

PARK CAFE

At 5:30 P.M. the pre-induction dinner will be held at the Cameo Room of the Park Cafe in Burlington, where the candidates are to be the guests of the college.

Science Hall 107 will be the scene of the actual ceremonies at 8:00 P.M. that evening. An invitation is extended to all the student body and faculty.

Immediately following the ceremonies, an open house is planned where the members and the audience can informally discuss matters with the speaker.

MR. WESTON JENKS, JR., SPEAKER

The seniors will enter in caps and gowns. The ritual induction will be carried out, followed by the induction address of Mr. Weston Jenks, Jr., secretary of the Woodrow Wilson Fellowship screening committee for this region. Jenks is guidance director at Boston College.

This year as in previous years, the speaker for this occasion is a man well versed in education of the graduate level. In 1956, candidates were addressed by Dr. Francis Rogers, former dean of the Arts and Science graduate school at Harvard. Last year Fr. Walter Ong, S.J., who is in charge of the selection committee for Fulbright Scholarship to France, addressed the new members.

Spencer Debates GOP

by Robert H. Cornell

An "Issues Debate" was recently held in Science 107 by the Political Science Club, to introduce to its members the candidates seeking office in the forthcoming State elections.

The Republican Party was represented by Mr. Allen Alfred, Mr. Lyman C. Hunt, Mr. Charles Ross and Mr. Milton Hard, all candidates for State Senator.

Democratic candidates for State Senator were Dr. Robert C. Spencer and Senator Russell Niquette, who is up for reelection this year.

An "Issues Debate" presents both the Republican and Democratic nominees for political office, to give their opinions and views on certain points contained in the "platform" of their respective parties.

MR. POWERS, MODERATOR

Council To Equip Ryan Hall Lounge

by James Canavan

A lengthy debate on the question of furnishing Ryan Hall lounge with recreation equipment constituted the greater part of Last Tuesday night's Student Council meeting. Fostered by the Sophomores, who live in Ryan Hall, the measure met unexpected difficulties in the persons of Senior delegates before passage.

Dick Hickey, President of the Class of '61, initiated the controversy by proposing a Council allotment of \$85 to furnish Ryan Hall lounge with adequate pool and ping pong equipment. The establishment of a supervisory committee from the Council was also included in Hickey's motion.

GALLAGHER, OBJECTS

Immediately Charles Gallagher, Finance Committee Chairman, offered three objections to the proposal:

- 1) Was not the motion setting a precedent for the Council to furnish recreation halls?
- 2) How was the supervisory committee to function?
- 3) What would be the punishment for a mis-use of the equipment?

POOL AT ST. MICHAEL'S

Senior delegate Terry O'Grady pointed out in speak-

ing against the motion that "the Council, which two weeks ago voted against a \$200 increase for the Lecture Series Committee because it would jeopardize our budget, is now considering allotting \$85 for the fostering of pool at St. Michael's." Referring to the commitment of a \$1000 surplus from last year's Council to the erection of a partition in Alumni Hall lounge, O'Grady suggested "two inches be cut off the wall and the \$85 be taken from the \$1000 surplus."

President LaFleur belatedly reported that the surplus had been assigned to the Alumni Hall lounge only after Hickey had shrewdly pointed out that if the Sophomores had to wait for the partition to be built before receiving the grant, they would probably never have opportunity to use it.

(Continued on page 2)

Honorary Freshman Class President James Carroll congratulates Al Green after Tuesday's Student Council meeting. Green is one of four Freshmen appointed by Carroll and Council President Ronald LaFleur to represent the Class of '62 until formal elections are held shortly before Christmas.

COUNCIL

(Continued from page 1)

Debate lapsed into a discussion of the supervisory committee's function as Senior Paul Fisher attacked the motion on the grounds that the Administration, in the end, was the only agency capable of enforcing punishment for mis-use. It was at this point that Hank "Move the Question" Fortier moved the question in the midst of discussion and met his long awaited initial defeat on the Council floor.

23-3 IN FAVOR

An amendment by Albie Brault to raise the stipend to \$103 was defeated before a final roll call vote on the motion was taken. The proposal passed, 23-3. A committee of all Sophomore class officers was appointed by LaFleur in supervisory capacity.

In the only other business of the evening, several committee reports were rendered. Carl DeNisio reported the Sophomores realized a profit of \$51.64 on a recent dance and Hickey informed the Council a telephone company consultant will visit St. Michael's in the near future to establish the feasibility of installing a public phone.

A proposal for a new silverware dispenser or a distribution of sets of silverware "over the counter" in the same manner as meals are now given to students was proposed by Charles Messenger, head of the dining hall committee. "The committee has concluded," stated Messenger, "that the silverware is dirtied by students handling it as they wait in line and therefore makes these suggestions to rectify the problem."

The Council also voted, at the suggestion of Henry Fortier, to have a Mass of Thanksgiving and Guidance said Thursday morning following the election of Pope John XXIII.

SKIT

(Continued from page 1)

The plays will be judged on the basis of humor, originality, costuming and the ingenuity in the use of the sets.

\$50 PRIZE

It was announced by Jim Canavan, chairman, that the judges will be chosen from the cadre and that a cash prize of fifty dollars will be awarded to the members of

the victorious skit. Jim also remarked that each set must be highly portable in order to remain within the total three - hour time limit. The plays will have no specific theme, but will contain a general military tone.

It is expected that this new addition to the Weekend will prove to be one of its most interesting highlights, said Canavan.

SPENCER

(Continued from page 1)

dates had given his ten minute talk, a question-answer period was introduced, being moderated by Mr. Joseph Powers, Assistant Professor of Sociology at St. Michael's. Mr. Charles Ross, an alder-

man from Burlington and a candidate for Republican State Senator, brought up some points in his ten minute talk which aroused a number of questions in the minds of his listeners.

After the other candidates had given their views on the various subjects, Hank Fortier of the Political Science Club engaged Mr. Ross in the Question-Answer discussion. Fortier asked Mr. Ross certain definite questions about his talk, in an attempt to clarify some of the remarks Mr. Ross had made during his speech. This led off an informal discussion period between the Political Science students and the Candidates.

In the talks given by each of the Candidates and in the Question-Answer period that followed, the main problems

discussed were the views of the Candidates on the "Right To Work Law" and a possible "Sales Tax" for the State.

DES

(Continued from page 1)

Mr. Thomas Garrett, assistant dean and registrar, believes that all who plan on graduate study will benefit by what will be said and should attend.

CONNOR

(Continued from page 1)

When asked to comment on the band, Houde stated that "Temple" Connor and His Swingers will be a perfect complement to Pat Dorn's group in the evening. "We can expect some real fine music at this weekend," said Houde.

ON THE HIGHWAY

It was a time of great unrest and movement all across the land, and I was of it and in it and on it and with it. My sonnet was half finished; my soul was a traffic light turning from red to green. It was the time, and I packed a toothbrush and a comb and a cold can of Schaefer beer, and I went to my mother's side.

"I got to go, Dad," I said, kissing her, digging her, all choked up with love and Zen and a mouthful of popcorn to go with the beer. "Sam is giving me a big party, and then I got to go." Sam was my friend and he was hip and I called him Sam.

The swinging Sam gave for me was wild, icy, far out. Nobody moved for hours. We sat on the floor, looking inward, Zenward, sipping our good gold Schaefer brew. Suddenly the door swung open, and a bearded, haunted, serene face appeared, and it was a poet and he had been out there everywhere and he had dug it all and he was back. He *knew*, man, he knew it and we knew it, that he *knew*. He was crammed full of Zen-wisdom and his eyes were wise and wild and his whole body was bandaged. He was beat.

"Do you know why Schaefer is your kind of beer?" he asked us. "Because it's *round*, Dad. That means a smooth harmony of flavors. It's *round*, man, and it's your kind of beer because *no-body here is a square!*"

So, out of nowhere, I had the word, and the word was *round*. It was the time, and I set off along quiet streets—past the football field, looking for kicks; past country gardens, digging the carrots and onions; and then ahead of me I saw the curving, calling, mystic, roaring highway. And it was the time, and Schaefer was my kind of beer, and I was *gone*.

KNIGHTS AND KNAVES SELECT DIRECTORS

by Robert E. Pellegrine

Practice for the Knights and Knaves interclass plays will soon be underway. In accordance with this the class directors have been chosen.

At a meeting Wednesday, Jerry Curran and Jerry Cafarelli were made the co-directors for the senior class. The junior class has Charles O'Brien at the helm. For the sophomore class Joe Mastromatto and Mike Pelham were chosen as co-directors to guide their play, and for the freshmen James Duncan and Al Greene will direct.

PRODUCED BEFORE XMAS

The dates for these produc-

tions have not yet been decided by the Knights & Knaves but will be announced later. The plays however will be held in Austin Hall prior to the Christmas vacation.

In preparation for their major production the officers for the club itself were elected at the Knights and Knaves meeting. At this time Jerry Cafarelli was elected to the presidency and Charles O'Brien was elected as the new secretary. Also at this meeting, Jerry Curren moved up to treasurer and Joe Mastromatto moved up to Vice-president. The Knights & Knaves will put on their major student production sometime during the second semester. This play as yet has not been chosen.

Junior Weekend Chairman Mike Gelinas is pictured with Committee Chairmen who will help him produce St. Michael's annual Festival. Sitting (left to right) are: Steve Burns (Finance); Bill McMahon (King and Queen); Mike Gelinas (Jr. Weekend Chairman); Bill Rooney (Reception); Joe Mahoney (Favors). Standing (left to right): John Joyce (Music); Roy Cummings (Reservations); George Hooley (Tickets); Joe Reiher (Miscellaneous); Mike Flanagan (Special Events); Bill Mazur (Decorations). Missing when picture was taken: Joe Kozlowski (Publicity); Dan Sherlock (Special Events); Fred Scarlatelli (Program).

30 Frosh Make Bid For Team

This year's freshmen basketball team began to take shape as approximately 30 players showed up for their first practice on October, 16.

16 MEN

Since that date the squad has been cut to 16 men. The present team with plenty of height and speed should perform as a typical Ed Markey team.

Last year the Purple Squires under Markey compiled a record of 7 wins without a defeat. "Doc" Jacobs is now working on the schedule for the Frosh club as it is not complete.

THE TEAM

So far the team consists of these players: Charley Hart, Highlands, N.J., Bob Hojnacki, Detroit, Mich., Brain Mallon, Bronx, N.Y., John Schlegel, Troy, N.Y., Bill Healy, Greenwich, Conn., Jim Van Wagoner, Poughkeepsie, N.Y., Jim Holmes, Burlington, Vt., Gerry O'Neil, Rensselaer, N.Y., Ron Janton, Rockville, Conn., Steve Emmerth, Jersey City, N.J., Tony Belanger, Pittsfield, Mass., Tom Lapine, Ogdensburg, N.Y., Pete Imbres, Greenwich, N.Y., Chet Mencizwor, Adams, Mass., Bill Basil, Garden City, N.Y., Joe Morgan, Revere, Mass.

Say You Read It
In The Michaelman

On And Off The Boards

Well it won't be long now. In another month our Purple Knights will be opening the basketball season with Steubenville. Nothing like starting off with a bang. Steubenville was ranked number one among small colleges last year and the only reason we didn't meet them is because they refused a bid to play at Evansville. Led by high scoring Jim Smith they finished the 57-58 season with a 23-1 mark. One good thing - Smith graduated this past June.

Basketball practice has been in progress for the last couple of weeks. When we left school this May the five starting positions were pretty well certain. But now things are different. I'm sure that "Doc" wouldn't have signed Kentucky Wesleyan if he had a notion of the way things shape up now. There are two spots that have to be filled - forward and center. The center slot is a toss up with "Big" Al (won't even attempt his last name) and Dave Mracek vying for the job. Dave may get it but remember last year when Moose sort of took over. My guess for the up front position is Ralph St. Peter

By the way what's all this about Bernie Kuchar? Bernie maybe small but he's fast and could be a valuable asset where we need the ball in a hurry. Remember little Chet Forte for Columbia last year? He's pretty small but led the nation for a time in scoring Denny McCarthy looks great and with "Doc" Jacob's giving him advice on his set shot St. Peter maybe given a run for his money . . . Newcomer Al Baldini reminds me of the Celtic Great, Bob Cousy. Even the way he stands waiting for play to resume . . . "Quincy" got hurt the other day in practice and thought his eye was falling out. He sure looked funny even Doc cracked a smile . . . Jack McGough, a sophomore from Jersey (where else?) is anxiously awaiting the mid year at which time he will be taken off the disabled list. Doctors say his appendectomy of late won't heel till then.

Saw Smiley today and he says things are shaping up for the Ski Team. With their hopes for snow being drenched by our recent rain the skiers are practicing 4 times a week just running back and forth from here to the jump. Work on our jump is on now and should be completed by Winter Weekend time .

A Team Leads

by Joe Rowan

The foreign soccer league went into high gear last week. Three games were played in which all the teams got in. The advanced team came out on top.

Over in the soccer field Tuesday afternoon the first game of the season took place. The elementary team and the intermediate team were the first contestants. Hygo Cardenas helped the elementary team along with three goals. The elementary team won 4-1.

MARTINEZ AND PEREZ

Thursday's game was played by the intermediate and the advanced teams in their first dual. Jose Montesdioca, goalie, for the intermediates, had a tough time trying to prevent goals. Martinez and Perez of the advanced team proved to be real skilled soccer players. They scored four and two goals respectively. This kind of playing gave the advanced an 8-2 victory.

At 10:00 a.m. Saturday morning the advanced and the elementary teams got together. Martinez and Perez turned out to be the stars of the game. Martinez racked up five; Perez made three. The advanced soccer goalie, Carlos Valdivielso made a great play. Standing on the goal line, he plunged toward a pure goal deflecting it with his fingertips. The advanced team won quite easily 9-4.

ADVANCED TEAM FIRST

In the first week all the teams played twice. The advanced team won twice putting them in first place.

Sophs And Juniors Tied In Bowling

The Seniors and Sophs are tied for first place in the Interclass Kingpin league each with a total of 7 points. John Stevens (Senior) has the high single, high triple, and high average.

Seniors beat the juniors 3-1 and tied the frosh and sophomore team each score 2-2. They have three good bowlers in Tom Whitbread, Moose Camire, and Neal Shea and Mr. Bowling of St. Mikes, John Stevens. Stevens has a 243 single, a 575 triple and a 185 average, all tops in the league.

SOPHS DUMP FROSH

The Sophs beat the frosh 3-1 and tied the seniors and juniors 2-2. They are led by

Jeri Humiston, Bob Hesler, George Hinerth, and Bob Fetchko. Humiston is second in averages one pin ahead of Neal Shea (Senior). Bob Hesler has the second high triple with a 546.

Juniors and Frosh both have a record of one defeat and two ties and both have 5 points. The league is as tight as the Army-Pitt game.

The Juniors have a consistent five in Pete "Proctor" Griffin, John Zurlo, Rollie "Nose Holub, Tim Dailey and John Wyman.

The Frosh steadily improving, feature a line up consisting of Jim Duncan, M. O'Donaghue, "Lefty" Derby, Al Green, and Clancy. Duncan has the second high single with a 207.

CLANCY

The biggest moment of the games so far was in the second round when Clancy threw a strike to beat the Seniors by one pin on the last shot of the night.

Bob Hesler, '61, and Tim Dailey, '60, seemed to be the most improved players so far while John Stevens is the outstanding bowler in the league.

This league should be the closest of all the interclass activities. The best bet to pull away would be the seniors.

EXTRA

Kentucky Wesleyan of Owensboro, Ky., will replace Regis of Colorado on the St. Michael's College basketball schedule, Athletic Director George "Doc" Jacobs announced today.

The game at Owensboro will be Feb. 23. The Knights had previously scheduled Southwest Missouri there Feb. 16.

Kentucky Wesleyan boasts two 6' 10" hoopsters on its squad. It's starting lineup averages 6' 5" on a 17 man squad. It had a 14-10 record last year.

Inability to schedule other teams on a proposed far west swing caused the change, Doc Jacobs said.

Word from Wesleyan has it that they are expecting to field one of the strongest teams in school history.

THEY SAID IT COULDN'T BE DONE - BUT TODAY'S L&M GIVES YOU-

THEY SAID IT COULDN'T BE DONE!

They said that bullfighting was strictly for men, and a woman couldn't do it. But pretty Pat McCormick, while a student at Texas Western College, ignored the scoffers, and became the first American girl to win international acclaim as a torea-Dora.
